RE: MUR 5015

Dear General Counsel:

As set forth in the enclosed Statement of Designation of Counsel, I am the attorney for Kathleen A. Daley, Treasurer of the Lincoln Club of Riverside County. I received a letter of Darryl R. Wold dated May 23, 2000, today.

I believe, based on my preliminary discussions with my client that there are substantial, factual materials that have not been considered by the Commission because of postal delays and my client's travel schedule, i.e., she had not received the letter within 15 days and did not have the ability to respond within that time frame.

In order to afford due process as well as promoting the concept of judicial economy, we would request that the time limit for our response to commence within 15 days of today's date. We will commence as if this request is being granted. In the event you elect to commence the running of time from a different date, I would request that you advise us with all deliberate haste, by fax and regular mail.

Very truly yours,
